HOME PAGE

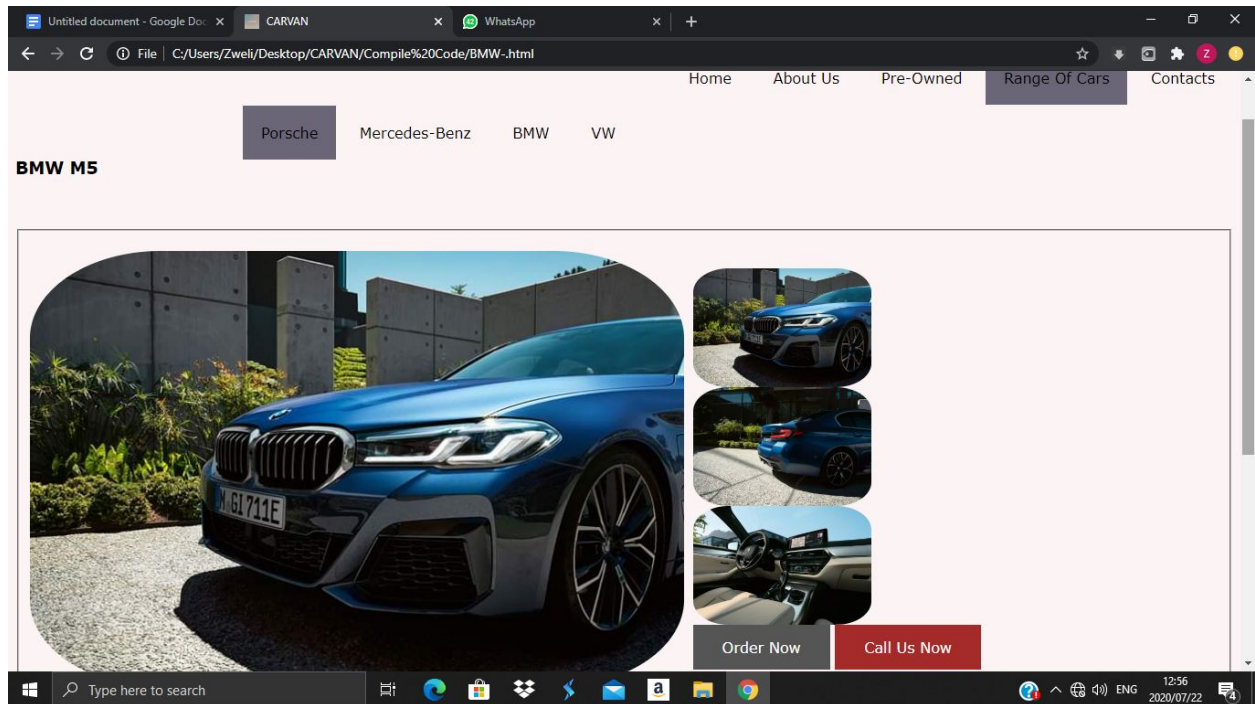

To begin searching for cars all you need is a criteria for the type of car you're looking for. The search criterias include: *Brands*, *About Us*, *Pre-Owned*, *Range Of Cars* and *Contacts*. You may choose one of these to help you narrow your results from the homepage. NB: The **See More** button links to the *Brands* page.

BRANDS

On the Brands page you will find some of the cars that we offer. If you want to see more of a certain car on the page you just click on the car of your interest. A window with more pictures showing that particular car in different angles will open to give you more insight on the car.

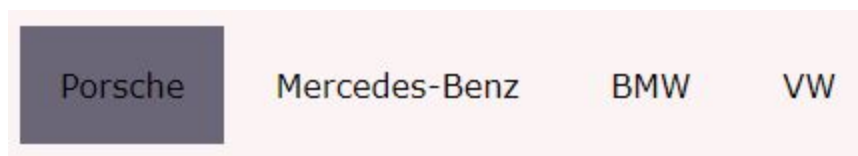

Example:

*This is a window that opens when you click the blue BMW M5 on the page. From this window you can order that particular car if it interests you. You can also opt to call us by simply pressing one of the two buttons on the page. **NB: This happens with every other picture of a car on any part of our website apart from the background picture in the homepage.***

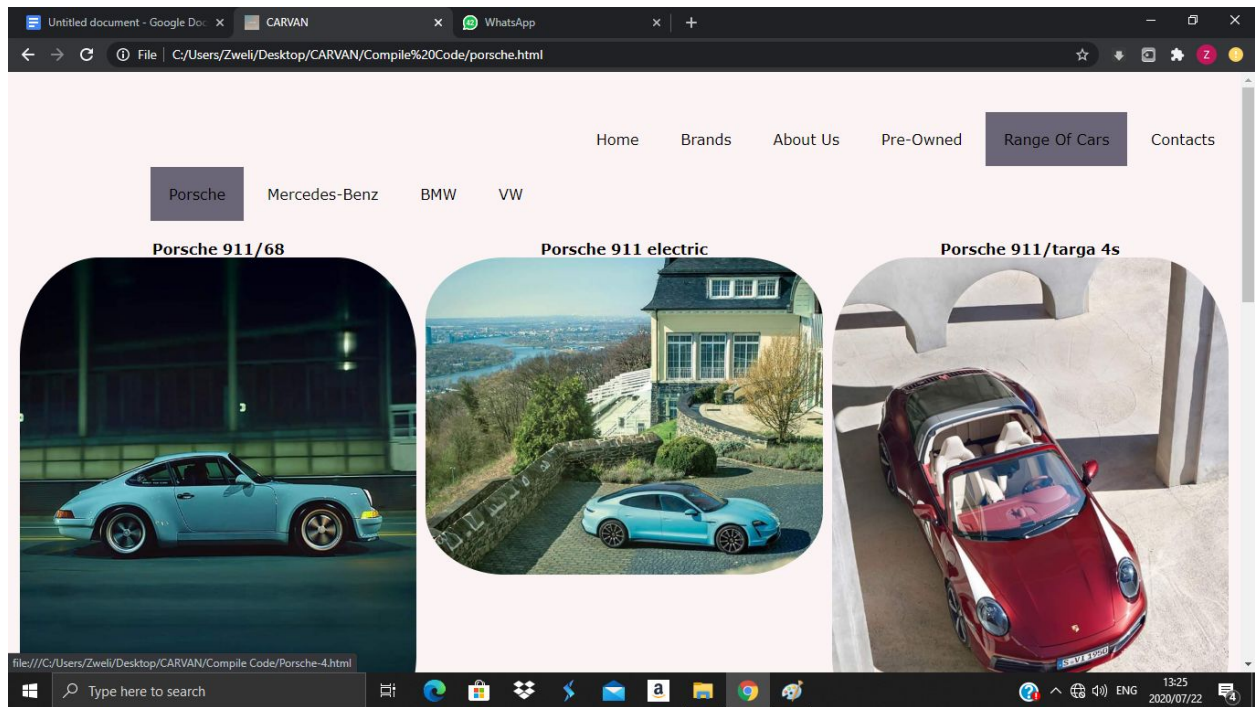

The Brands page has a submenu of more cars from some of our exclusive brands that we offer for a richer experience in a particular brand. Our brands include but not limited to *Porsche*, *Mercedes-Benz*, *BMW* and *VW*.

Example:

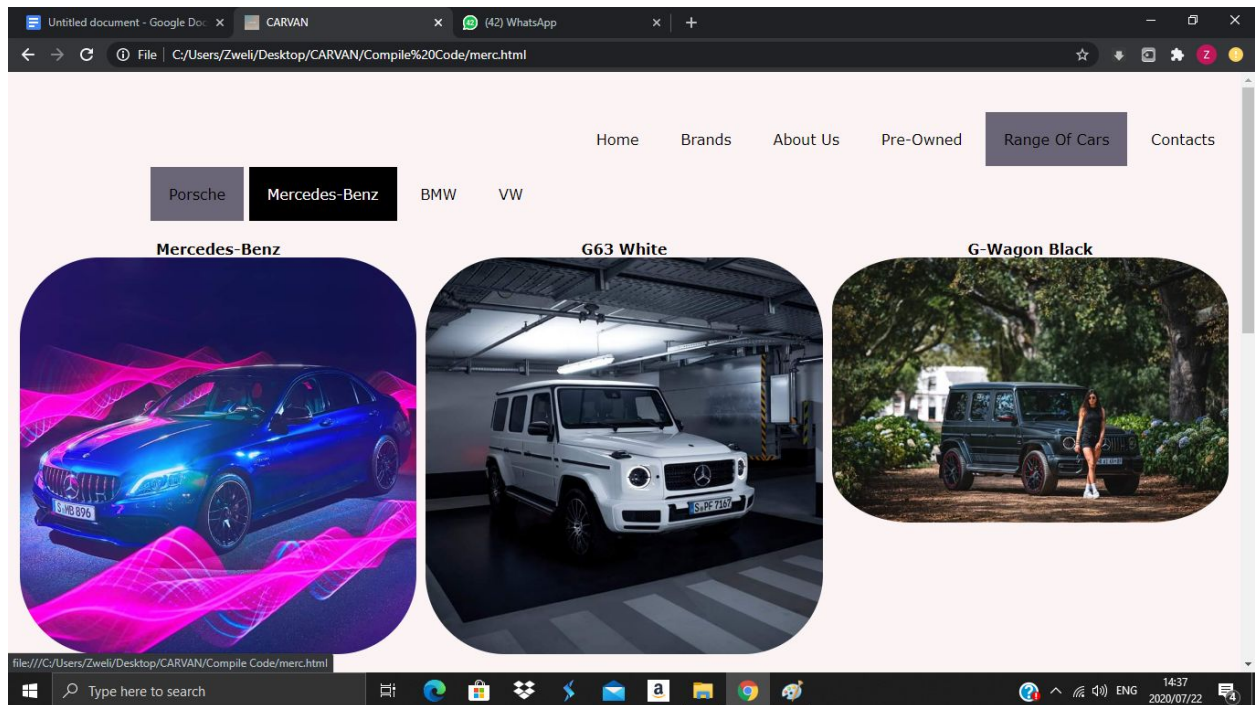

This is an example of the submenu bar.
